7. SUBSTANTIVE CHANGE – Requests and Approvals

Review the list of changes below. If your institution plans to seek a Substantive Change, reach out to AIJS staff for assistance with the process. (Seminaries- dgongola@theaijs.com, Yeshivos- alowinger@theaijs.com)

AIJS will determine in which category the request fits and the process for approval will follow that determination. In general, Category 1 changes may be approved based on the information provided on the institution's Application for Substantive Change Form and the documentation provided; a Category 2 Substantive Change normally requires a focused staff visit to the institution; and Category 3 major changes generally require a focused site team visit to the institution as well as approval by the Executive Accreditation Council of the change.

- A change to the mission or objective of the institution.
- A change in the legal status, control or ownership of the institution.
- The addition of courses or programs of study, that represent a significant departure from existing offerings of educational programs or methods of delivery from those that were offered when AIJS last evaluated the institution.
- The addition of programs of study at a degree or credential level different from that which is included in the institution's current accreditation.
- A change from clock hours to credit hours.
- A substantial increase in number of clock or credit hours awarded for successful completion of a program.

- An additional location geographically apart from the main campus at which the institution offers at least 50% of the educational program.
 - The acquisition of another institution or any program or location of another institution.
 - If an institution enters into a written agreement with a non-Title IV eligible institution to provide more than 25%, but less than 50% of a Title IV eligible institution's educational program.
 - The addition of a permanent location at a site at which the institution is conducting a teach-out for students of another institution that has ceased operating before all students have completed their course of study.
